<p style="text-align: center;"><b><u>PERISHABLE FREIGHT OR HEATER SERVICE</u></b></p> <p>PMR does NOT have any facilities for refrigeration service or for the icing of railcars. Icing, if necessary, must be done by and at the expense of the shipper or consignee. Additionally, PMR is NOT prepared to furnish heaters or heater service, and does NOT itself publish any tariff provision therefore NOR is it a party to the tariffs of any other carriers or their agents providing such service.</p> <p>Accordingly, on outbound shipments, PMR will not accept orders for its own account for such services but will accept orders on its connecting carriers for such services, by endorsement of bills of lading or otherwise, solely for transmission to such connections, and without liability on its part for any failure by them to comply with such orders. Likewise, on inbound shipments, PMR will NOT accept orders to provide such services while in its possession, or assume any liability for the failure of its connecting carriers to provide such services, even though by endorsement on the bills of lading or otherwise, such connecting carriers have undertaken to furnish such services.</p>		30
<p style="text-align: center;"><b><u>CONSECUTIVE NUMBERS</u></b></p> <p>Where consecutive numbers are represented in this Tariff by the first and last numbers connected by the word “to” or a hyphen (-) they will be understood to include both of the numbers shown.</p> <p>If the first number only bears a reference mark, such reference mark also applies to the last number shown and to all numbers between the first and last numbers.</p>		40

**DEFINITIONS OF TECHNICAL TERMS USED IN THIS TARIFF--CONTINUED**

120  
Cont.

“SHIPPER” – As used in this Tariff, the term “Shipper” is defined as, and shall mean, any one of the following:

- (a) A consignor, consignee, or their agent.
- (b) A forwarder, freight consolidator, importer or exporter, or their agent(s), either tendering freight for shipment, or, receipting for freight delivery.
- (c) A person other than the above, acting for or on behalf of any person in (a) and (b) above, arranging for the handling of import, export, coastwise or intercoastal freight which is to move across PMR facilities.

“Intra-Terminal Switch” –A switching movement from one location to another location within the switching limits of the Port Manatee Railroad, if railcars are constructively placed for loading or unloading and shipper requests them to be moved without first unloading or loading the railcars.

“Private Car” – A private car is a car bearing other than railroad reporting marks and which is not a railroad controlled car. For Port purposes, it is a railcar with reporting marks ending in “X”.

“Pool Car” – A railroad controlled car that is in a non-demurrage special agreement “pool” of railcars.

“Hazardous Materials Car” – A railcar that contains any material that is listed in CFR 49 Part 172 Subpart B – Table of Hazardous Materials and Special Provisions: (Any Poison Inhalation Hazard/Toxic Inhalation Hazard (PIH or TIH) Materials, Radioactive Materials or Toxic Waste Materials, contained in CFR 49 Part 172 Subpart B, are prohibited to be moved over the Port Manatee tracks).

SPECIAL RULES AND REGULATIONS		ITEM
<p style="text-align: center;"><b><u>DEMURRAGE</u></b></p> <p>All cars handled under this tariff will be subject to the established car demurrage rules and charges as published in Tariff RPS 6004-P, issued by Railroad Publication Services. These separately established rules and charges apply on international, interstate and intrastate traffic at all points, except as otherwise provided herein.</p> <p><b><u>“FREE TIME”:</u></b></p> <p>Time will be computed from the first 00:01 hours after tender by PMR has been provided to the consignee or the stevedore handling the rail cars on behalf of the consignee, until release. Proper notification is a list of numbers that shows commodity, provided by PMR. This notification constitutes constructive placement: 48 hours free time will start from the constructive placement time for cars being unloaded. 48 hours free time will be allowed for cars placed for loading. For the purpose of computing free time, Sundays and holidays will not be counted.</p> <p><b><u>UNLOADING CARS:</u></b></p> <p>For Unloading, 48 hours from next 12:01 AM following tender: After free time a charge of \$55.00 per each 24-hour period or fraction thereof.</p> <p><b><u>LOADING CARS:</u></b></p> <p>For Loading, 48 hours from next 12:01 AM following tender, After free time a charge of \$55.00 per each 24-hour period or fraction thereof.</p> <p>All days are counted once demurrage commences.</p> <p>Private Cars and “Pool” Agreement cars will NOT be subject to the demurrage charges specified above. See definition in Item 120.</p> <p>Private Cars and “Pool” Agreement cars will be subject to a Storage/Hold Charge outlined in Item 5600.</p>		140

<b>SPECIAL RULES AND REGULATIONS</b>		<b>ITEM</b>
<p style="text-align: center;"><b><u>DEMURRAGE</u></b> <b><u>Weather Interference</u></b></p> <p>When cars are placed for loading or unloading, if the condition of the weather during any part of the prescribed free time is such as to make it impractical to place freight in cars or move it from cars without serious injury to the freight, the time of the duration of the weather interference shall be added to the free time.</p> <p>Weather interference is defined as, but not solely limited to, work stoppage due to rain or acts of nature such as tornados or hurricanes.</p>		145
<p style="text-align: center;"><b><u>DESCRIPTION OF FACILITIES</u></b></p> <p>Port Manatee is located at the entrance to Tampa Bay on the west coast of Florida. PMR operates at Port Manatee with approximately 33,000 feet of track and connects with the CSXT Railroad with four setout interchange tracks of approximately 60 railcars capacity each.</p>		150
<p style="text-align: center;"><b><u>HANDLING CARS ON PRIVATE SIDINGS</u></b></p> <p>(a) Rail cars moving on, switching rates and charges named in this Tariff will be placed on, or removed from, private sidings, located within the boundaries of Port Manatee’s Facilities, without additional charge for same, provided there are no conditions to make it unsafe for PMR’s locomotive to operate over such tracks or that would prevent PMR from doing so at its ordinary convenience, and in continuous movement without delays.</p> <p>(b) If, in the case of delays, after a two-hour waiting period, the cause of delays has not been removed, PMR, will place the cars then being handled for the siding, on a hold, or other convenient track. Subsequent placement of such railcars on the private siding or other designated track selected by the consignee, will be subject to the switching charges named in this Tariff.</p>		160

<b>SPECIAL RULES AND REGULATIONS</b>		<b>ITEM</b>
<p style="text-align: center;"><b><u>INDEMNIFICATION OF PMR FOR PRIVATE RAIL CARRIAGE</u></b></p> <p>No party shall be permitted to operate over or make use of PMR’s tracks unless prior express written permission has been obtained from the PMR. When granted such permission, the private parties using the PMR tracks and facilities agree to indemnify and save harmless PMR from and against all losses, claims, demands and suits for damages, including death and personal injury, and including court costs and attorney’s fees, incident to or resulting from their own operations on PMR track and facilities.</p>		170
<p style="text-align: center;"><b><u>LOADING AND UNLOADING</u></b></p> <p>PMR will NOT perform any services of loading and/or unloading of freight from/to railcars at any station, track or terminal on its facilities, NOR will PMR make arrangements for such loading and/or unloading of railcars.</p>		180
<p style="text-align: center;"><b><u>LOSS AND DAMAGE CLAIMS</u></b></p> <p>Governed, except as otherwise provided herein, by rules and regulations governing the processing of claims for loss, damage, injury and delay to property transported or accepted for transportation contained in 49 CFR Part 1005.1 thru 1005.7, issued by the Surface Transportation Board.</p>		190
<p style="text-align: center;"><b><u>NON-PAYMENT OF FREIGHT CHARGES</u></b></p> <p>Failure to pay freight and/or additional charges issued for services provided under the terms and conditions of this Tariff will result in the discontinuation of further railroad services, except on a prepaid basis.</p>		200
<p style="text-align: center;"><b><u>HAZARDOUS COMMODITIES</u></b></p> <p>The shipper of any hazardous commodity shipped via Port Manatee Railroad shall indemnify Port Manatee Railroad and hold Port Manatee Railroad harmless for any and all loss, liability or cost whatsoever that Port Manatee Railroad may incur or be held responsible for, to the extent that such liability is due to, or arises from: a) defects in or failure of shipper’s cars and equipment, b) a failure of shipper or shipper’s agent to conduct proper or appropriate pre-shipment inspection of the cars as described in 49 CFR Sec. 173.31 (d) or c) misidentification of commodity shipped.</p> <p>The foregoing indemnification shall not apply to any loss or liability caused by or due to Port Manatee Railroad failure to conduct pre-departure inspections as described in 49 CFR Sec. 174.9 or failure to follow AAR interchange rules, or any other liability resulting from Port Manatee Railroad’s negligence.</p> <p>The above provisions apply to shipments of Classes A, B or C explosives, as named in Section 172.101 Hazardous Materials Table of Tariff BOE 6000-Series, and hazardous materials, substances or wastes requiring the use of a 4-digit identification number on shipping papers, placards or panels, as named in Section 172.101 Hazardous Materials Table of Tariff BOE 6000-Series, while held on THE RAILROAD premises</p>		<u>205</u>
